FUNDING FOR PUBLIC SAFETY & INFRASTRUCTURE

In Woodridge, Local Government Distributive Fund (LGDF) revenue is invested in the infrastructure and public safety services that our residents rely on every day.

- 90% of LGDF is allocated to the General Fund; 10% to the Capital Projects Fund
- Due to reductions in LGDF, the Village has been forced to utilize its reserves to maintain the level of service residents expect.
- In 2022, cannabis use tax and video gaming revenue made up only
 7.4% of the difference between our current and promised LGDF funding levels.
- Between 2011 and 2022, the State's total income tax (IT) receipts increased by 174%.

BY THE NUMBERS

- LGDF revenues fund 18%
 of the Operating Budget.
- To address budget deficits, the Village must consider raising taxes or reducing services.
