## Total Lost Revenue: \$10,535,125

In 2011, the General Assembly reduced the percentage of income tax revenue that is allocated to local governments, promising that these cuts would be a temporary shared sacrifice. Over a decade later, **LGDF** is still not restored. Our community's lost revenue totals **\$10.5 million** to date.

### Serving Residents & Businesses

- Increasing LGDF to **6.47%** in FY24 invested an additional **\$109,190** in our community, which was used to increase pension funding by 25%.
- Our community would lose an estimated **\$150,000** to **\$200,000** each year by eliminating the state sales tax on groceries.
- Police body camera implementation costs our community **\$70,000 annually**.

### Essential Revenue

- LGDF represents **15%** of our annual operating budget.
- As costs continue to grow, LGDF reduces pressure on property taxes & other revenue.
