

# Village of Sugar Grove Local Government Distributive Fund

## Total Lost Revenue: \$8,897,184

In 2011, the General Assembly reduced the percentage of income tax revenue that is allocated to local governments, promising that these cuts would be a temporary shared sacrifice. Over a decade later, **LGDF** is still not restored. Our community's lost revenue totals **\$8.9 million** to date.

### Serving Residents & Businesses

In Sugar Grove, Local Government Distributive Fund (LGDF) revenue, which is generated from income taxes on our residents & businesses, is invested in the infrastructure and public safety services that our community relies on every day.

- Increasing LGDF to **6.47%** in FY24 invested an additional **\$90,517** in our community, which helped fund a patrol officer to fill a School Resource Officer role requested by the school district.
- Our community would lose an estimated **\$201,918** each year by eliminating the state sales tax on groceries.
- Survey of lead service lines will cost **\$30,000**.
- Police body camera implementation costs **\$113,539**.

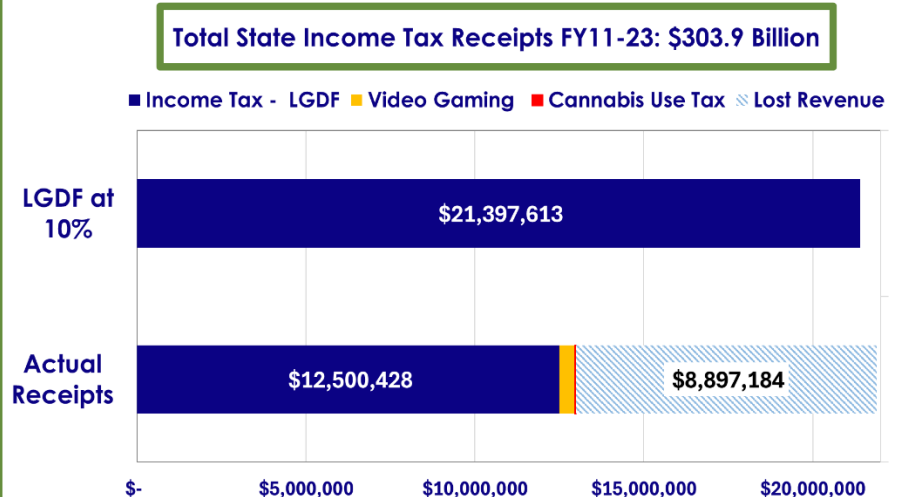

### Essential Revenue

- LGDF represents **19.8%** of our annual General Fund budget.
- As costs continue to grow, LGDF reduces pressure on property taxes & other revenue.

### Pension Impacts

- In 2023, public safety pension contributions cost **\$685,056**, which is **88%** of our corporate property tax levy & **47%** of our LGDF revenue.
- To date, our total lost LGDF revenue could have funded our public safety pensions for **15 years**.
